

MEMORANDUM FOR: O/DCI

FROM: EA/DDCI

The DDCI wanted the attached called to the DCI's attention, noting that Ken Dam avoided this issue at the SIG and it might be worth revisiting with McFarlane and Shultz.

FROM: EA/DDCI

The DDCI would like you to deliver this to your morning customers and call their attention to it.

FYI, DCI/DDCI have been pushing to cut off trade, and State apparently has been ducking the issue.
